

Welcome to....

Hello Students!

Band is an elective class, and I am are happy to see you here! Learning how to play an instrument is an extraordinary talent that can help you in life. We want you to work hard and learn how to play fun pieces, like *7 Nation Army* or *Best of Queen*.

Classroom Expectations:

When you choose this class, you are joining a band. A band by definition is a group of people that work together. You are expected to work hard and to be kind to your fellow band members. You also need to take **CARE OF YOUR INSTRUMENT!!!!**

Each week you must practice your instrument outside of class for at least 30 minutes. Then write how your practice went on your **practice logs**. These will be due every thursday.

Classroom Work:

You need to bring your instrument to class every day. During class we will work on different pieces from either your concert book or separate pieces. Your concert book will have shorter pieces, and will help you get used to playing your instrument and improve.

Musically Yours,

Mr. Chaprnka
